Welcome to Wits' End at Home!

The Lattin Family has brought Wits' End Corner Country Store and Bakery back to our home in the woods. Our guys have built us a little bakery next to our house and we're making all the delicious things you've come to love. We will bake up your favorites each week and bring them directly to you (in the greater Silver Bay Area) on Wednesday evenings. We also ship our products.

We are a FROM SCRATCH bakery. Everything we make is done by hand, using **real butter and eggs**, nothing artificial and no preservatives. Everyone in our large family pitches in to share with you our family favorites, like caramel rolls rich with buttery caramel, pecans and lots of cinnamon swirl, golden cookies abounding with chocolate chips, raisins and spice, nuts or coconut.

Our breads are tried and true favorites, some rustic and crusty, some tender and

lightly sweet.

Sandwich breads and seasoned breads, some stuffed with roasted garlic and others filled with ribbons of cinnamon and raisins. And then there's the store favorite...our crunchy granola, deep golden with molasses and honey and overflowing with nuts,

Get your orders together and enjoy some fresh, home-made goodness...we're just a call away!

Following is an order form and instructions for ordering. Each week is different in a 4 week cycle. Call, write or email us for an order form or more information.
