

Wits End at Home Offerings...

Please Note: This is NOT a complete listing. But we cannot make all of these things every time. We have a rotating list, week to week, so you can get a wide variety of items. These breads and goodies freeze well. Many are even better after being frozen. If you need something special on an off-week, do let us know and we'll see what we can do! We also do frozen cookie and scone dough for you to bake at home for a warm, out of the oven treat.

Caramel Rolls
